學習評量方式 (evaluation)			
Each section must be about 400 words, each finished essays about 4000 words (+/-10%); for every 100 words below or above that limit, 10 points will be subtracted from the grade. Each finished essay counts for 30% of the grade; peer-editing and drafts for 10% each, in-class participation (which includes punctual attendance) for the remaining 20% of the grade. Students may miss up to two classes without excuse; for every unexcused absence above that limit, the final grade will be lowered by 10 points.
